Dear Penn pals

BOOZY CHRISTMAS!

We would like to introduce you to our new Christmas cocktail, the Snow Blizzard, created lovingly by Bartender Liam. Aka Sav. To treat all of you special people, the Snow Blizzard is at a bargain price of £3.00 anytime and any day throughout the whole of December! The ingredients are as follows: Baileys, Disaronno, Milk, Cointreau and Cinnamon served over crushed ice and garnished with cocoa powder and mint leaves. Christmas in a glass. So either you can look at it that you have more money for Christmas prezies, or more money to keep on boozing. Well, after all it is the festive season!

DO YOU KNOW AN AWESOME BAND?

We are after your musical mind. If you have been to see a fantastic band lately (no, we don't mean U2, Take That, The Police etc) and you think they would be a great band to strum out some tunes in Penn then we need to know. We are after some fresh, new bands to play at the weekends in the bar. Just give us the name of them and we will give them a call and see if they have what we're looking for. Alternatively if YOU are that awesome band then drop us a promo CD and your contact and we will hopefully book you in some dates for 2010.

FRIGHT NIGHT?

So, the 31st of October is a scary day we are told to believe....maybe not in Penn though.... people dressed as Arabs and black cats and some fake blood dotted about are hardly my idea of fright night, the Amy Winehouse costume was leaning on scary I guess!!! With Halloween décor and Rock Band Izzy Stone playing those rock classics it was in all a great night. Look out for Decembers issue of DV8 magazine where Penn has a Halloween review, did your Halloween face make the cut? Thanks all for making it down, same time next year....just a little bit scarier on the costumes please, ha ha!
